

Refuse Cart Placement

All refuse must be placed in refuse cart provided by the City.

Place refuse carts with the wheels and handle towards your home.

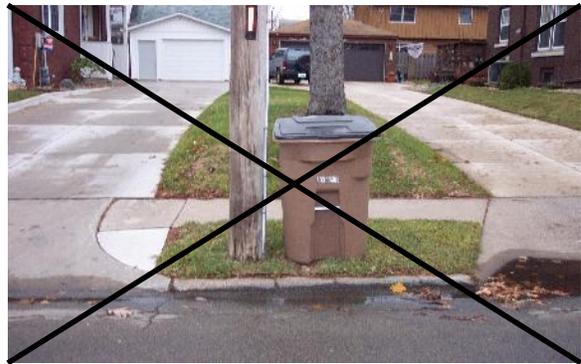

Refuse cart lids must be closed.

Place refuse carts one foot from the curb or alley and at least three feet from any obstacle such as a parked vehicle, utility pole, or mailbox.

If you are using more than one refuse cart, leave a gap of at least three feet between them.

Proper refuse cart placement in the street.

Improper refuse cart placement in the street.
(too close to the utility pole)

Proper refuse cart placement in the alley.

Improper refuse cart placement in the alley.
(too close to the fence and utility wire)
