Type of Permit required:		No permit required	Class 1	Class 2	Class 3

**ALL WORK MUST CONFORM TO THE CODES OF THE CITY OF ROCK ISLAND**

All land clearing, construction, or development involving earth movement shall be in accordance with the plans approved upon issuance of the permit.

I have read and understand the City of Rock Island Storm Water Control Ordinance. I agree to comply with the requirements of the ordinance and understand that failure to do so may result in stop-work orders, fines, and legal action.

Signature of Owner/Developer:	Date:
Signature of Contractor:	Date:

Contact 732-2235 or cell (309) 912-2670 for inspections. City inspections must be made with the following stages of construction:

1. **Two (2) working days prior to any land disturbing activity.**
2. **Upon completion of installation of sediment and runoff control measures (including perimeter controls and diversions.)**  
Note: All Class 3 Permits must have sedimentation basin installed and operational before beginning any land disturbing activity.
4. **After final stabilization and landscaping and prior to the removal of sediment controls.**
