2023 Meeting Day Change

For the Beautification Commission meetings to be more publicly accessible, the commission meetings are proposed to be held in the third floor City Council Chambers at City Hall beginning in January of 2023. As such, the proposed schedule to be voted on at the December 19, 2022 meeting has the meeting day on the third Monday of each month, starting in April and running through September. There will not be a meeting held in October and November, but will be a meeting in December. The change in meeting day is to accommodate already scheduled use of the Council Chambers on the second Monday of each month by the City Council.
