

CITY OF ROCK ISLAND
CITY COUNCIL MEETING

City Hall

1528 Third Avenue, Rock Island IL

City Council Chambers, 3rd Floor

6/13/2022 - Minutes

1. Call to Order

Mayor Thoms called the meeting to order at 6:45 p.m. and welcomed everyone.

2. This meeting will also be conducted by audio and video conference without the requirement of a physically present quorum of the Rock Island City Council due to the disaster declaration issued by Governor Pritzker.

3. Roll Call

Mayor Thoms asked City Clerk Samantha Gange to call the roll.

Present: Mayor Mike Thoms, Alderpersons Randy Hurt, Judith Gilbert, Jenni Swanson, Dylan Parker, Mark Poulos, and Bill Healy.

Aldersperson Robinson joined the meeting at 6:48pm.

Absent: None.

Staff: City Manager Todd Thompson, City Attorney Dave Morrison, City Clerk Samantha Gange, and other City Staff.

4. Pledge of Allegiance

Mayor Thoms led in the reciting of the Pledge of Allegiance.

5. Moment of Silence

Mayor Thoms requested a moment of silence. A moment of silence was observed.

6. Public Comment

Mayor Thoms asked if anyone in the public wished to speak.

Rock Island resident Hannah Hooks of 24 ½ Street Court addressed Council regarding a proposed no parking sign on the east side of her street. She and her husband measured the road to determine how much room would be needed for a fire truck or emergency vehicle, and it measured at 26 feet on the smaller portion of the road. Based on the measurements, there

should be no issue for larger vehicles getting through. She referenced a petition in January of 2022 that was circulated by her neighbor, who was concerned about vehicles getting through the road. She said she is currently more worried about her son than parking or moving her vehicles within a specified time. She would prefer to deal with the parking issue with members of the cul-de-sac in which she lives than coming to speak at the meeting.

Ms. Hooks added that there had not been an issue with parking for years until a new neighbor recently moved in nearby, and since that date in December, there have been many police officer visits. She said she spoke with Alderperson Swanson regarding the issue, and does not understand why it is acceptable for petitioners that wished for no parking in the cul-de-sac to then park in those areas. She requested that if one side of the cul-de-sac is approved for no parking, it should be the entire cul-de-sac. She requested that the police not be called if vehicles are parked in her yard but are moved within 24 hours.

Rock Island resident Angela Vega of 24 ½ Street Court addressed Council regarding the proposed no parking sign in her area. She discussed her perspective on the parking issues, and noted it is difficult for her to get to work with the number of vehicles parked on the road. She said there should be parking only on one side of the cul-de-sac. It is her understanding that this issue has existed for many years, and she turned in resident letters regarding the issue to Alderperson Swanson. She expressed concern that a neighbor with major health issues will not be able to be reached due to a lack of access for an ambulance. She said it was her understanding that garbage trucks have been unable to pass through. She noted that the children in question from the previous speaker are often playing in the street.

Rock Island resident Maria Schrup Hanrahan of Bettendorf, Iowa addressed Council as a witness to the parking issue on 24 ½ Street Court and co-worker of Ms. Vega. She said on multiple visits to pick up or drop off Ms. Vega, she has noticed there were always two vehicles parked at the entrance of the cul-de-sac, which only allowed for a narrow space for other vehicles.

Rock Island resident Robin Gay of 15th Avenue addressed Council regarding the parking in the aforementioned cul-de-sac area. She said many residents from nearby Century Woods Apartments park in the area on both sides of the street, and concurred that larger vehicles are unable to enter. She noted it is a big problem, especially in the winter.

Rock Island resident Richard Edwards addressed Council regarding a vacant property next to one he owns. He said he would like to purchase it in order to develop a retail business selling classic car parts. He also had an idea to place another building on the property for ornamental iron works. He noted that on a tax sale form it was mentioned that if the property does not sell, it can be picked up for the minimum purchase. He said the City has been missing out on tax revenue and development of a property. He said he is willing to purchase the property and offered \$5,000. He said he would be willing to sit with Council members to discuss the matter.

9. Update Rock Island

The Rock Island Public Library (RIPL) names its new Library Branch - The RIPL Board of Trustees has officially voted to name the future location as the Watts-Midtown Branch. The name was chosen to honor the enduring support shown to the library by the late Lorene Evans Watts, and her son, Eudell Watts, III, as former and current members of the library board.

The Rock Island Parks and Recreation Department, in partnership with First Tee Quad Cities, is set to break ground on the new Highland Springs Clubhouse on Thursday, June 16, 2022 at 11:00 a.m. The new clubhouse will accommodate larger fundraising outings, provide a more accessible facility for all patrons, and will include a classroom for First Tee students. The new clubhouse will feature a nice welcoming point to the golf course with areas to relax before and after rounds of golf. Golfers will enjoy the outdoor patio area with enhanced views of several holes on the course. The new clubhouse will reflect Highland's history while providing a gateway to the course's future. The project will be funded through a variety of sources including First Tee Quad Cities, grants, and private donations. This project will create a long-lasting partnership with the First Tee Quad Cities. Everyone is invited to attend!

2022 Rock Island Citizen of the Year Award Nominations now open – Each year, people in Rock Island have an opportunity to nominate residents who have contributed to the Rock Island community. DISCUSSION:

Aldersperson Healy inquired about the reason this was a five-year agreement. Community and Economic Development Director Miles Brainard explained that it was a five-year agreement for two reasons: a previous similar scale of development was a five-year term and they wanted them to be similar, and the business owner also identified five years as the right amount of time for them to upscale their business.

VOTE:

Motion PASSED on a 7-0-0 roll call vote. Aye: Hurt, Gilbert, Swanson, Parker, Poulos, Healy, and Robinson. Nay: None. Absent: None.

20. Report from the Mayor's Office regarding amendments to Chapter 3 of the Code of Ordinances regarding alcoholic liquor. (First Reading)

MOTION:

Aldersperson Parker moved to approve the request as recommended; consider, suspend the rules, and pass the ordinance; Aldersperson Swanson seconded.

DISCUSSION:

Aldersperson Gilbert remarked the motion to consider the ordinance was heard at the previous City Council meeting which would make this a second reading of the ordinance.

Alderspersons Parker and Swanson withdrew their motions.

Aldersperson Parker moved to pass the ordinance; Aldersperson Swanson seconded.

VOTE:

Motion PASSED on a 5-2-0 roll call vote. Aye: Hurt, Swanson, Parker, Poulos, and Healy. Nay: Gilbert and Robinson. Absent: None.

21. Report from the Finance Department and Public Works Department regarding an adjustment to the CY 2022 budget transferring funds from the Fleet Amortization Fund (602) to the General Fund (101) in the amount \$15,000.00 to pay Enterprise Fleet Management for the aftermarket equipment on two lease plow trucks.

MOTION:

Aldersperson Hurt moved to approve the budget adjustment as recommended; Aldersperson Healy seconded.

VOTE:

Motion PASSED on a 7-0-0 roll call vote. Aye: Hurt, Gilbert, Swanson, Parker, Poulos, Healy, and Robinson. Nay: None. Absent: None.

22. Report from the Traffic Engineering Committee regarding an Ordinance banning parking on the east side of 24 1/2 Street Court from 33rd Avenue to the cul-de-sac to provide better access for snow plows and other large trucks and emergency vehicles. (First Reading)

MOTION:

Aldersperson Swanson moved to consider, suspend the rules, and pass the ordinance; Aldersperson Hurt seconded.

DISCUSSION:

Aldersperson Swanson requested Public Works and Emergency departments work over the next year to note streets, cul-de-sacs and other roadways which present issues with trucks and safety vehicles regarding access. City Manager Todd Thompson reported that City staff could look into this and noted it is a typical issue on 24-foot streets but that it should be approached on a case-by-case basis since it varies based on amount of people parking and their ability to stagger vehicles.

Hannah Hooks commented that she was told the Fire Chief would come out to measure the road and that he had not yet done so. Aldersperson Swanson explained that the Public Works department already measured the road.

Aldersperson Hurt inquired if 33rd Avenue is currently designated for parking on one side of the street. Municipal Services Superintendent Luke Vanlandegen approached the podium to answer the question. He reported uncertainty without researching it further. Aldersperson Swanson confirmed that it is one-sided parking.

Aldersperson Poulos asked Chief Yerkey what his thoughts were on ingress and egress of emergency vehicles in this current state.

Fire Chief Jeff Yerkey stated that there have been issues with similar situations in previous years. Chief Yerkey explained it is especially problematic if the emergency necessitates the use of the ladder truck as it requires additional space to deploy outriggers to be able to raise the ladder. He also explained that there is not a fire hydrant in this particular cul-de-sac so fire crews would have to access water supply from a fire hydrant on 24th Avenue and additional space to access this water would be advantageous.

Aldersperson Poulos explained that his concern was primarily the safety of the citizens that live there and the ingress of emergency vehicles to aid and possible transportation by ambulance.

Chief Yerkey explained that in previous scenarios, fire trucks have had very little room to navigate similar situations which led to action being taken to limit parking to one side of the street. He added that Assistant Fire Chief Graff is on the Traffic and Engineering Committee and will hopefully be helpful in future discussions.

Aldersperson Poulos reiterated his concern for the ability for ambulances to egress to transport patients in emergency situations in an expedited manner. Chief Yerkey shared that if crews did arrive and it appeared that only the ambulance could get access, then the engine would park on the avenue and the crews would have to walk in to assist.

Aldersperson Swanson stated that this matter was brought before the Traffic and Engineering Committee who discussed this matter and moved forward with this recommendation. Aldersperson Poulos explained that he was ensuring the Council was making an informed decision.

Aldersperson Robinson inquired about parking availability for a resident that did not appear to have a driveway off of 24th Street. Aldersperson Swanson provided clarification that particular residence has a driveway off of 33rd Avenue.

Hannah Hooks asked about the area being referenced as the East side and if that also included the cul-de-sac. Aldersperson Hurt clarified that this includes the East side up to the cul-de-sac.

VOTE:

Motion PASSED on a 7-0-0 roll call vote. Aye: Hurt, Gilbert, Swanson, Parker, Poulos, Healy, and Robinson. Nay: None. Absent: None.

23. Report from the Traffic Engineering Committee regarding an Ordinance banning parking on the south side of 15th Avenue from 5th to 6th Street to provide better access for emergency vehicles. (First Reading)

MOTION:

Aldersperson Robinson moved to consider, suspend the rules, and pass the ordinance; Aldersperson Poulos seconded.

VOTE:

Motion PASSED on a 7-0-0 roll call vote. Aye: Hurt, Gilbert, Swanson, Parker, Poulos, Healy, and Robinson. Nay: None. Absent: None.

24. Report from the Finance Department and Martin Luther King, Jr. Center regarding an adjustment to the CY 2022 budget, increasing IDHS Fund (906) revenues and expenditures by \$86,241.00 due to additional funding from the State of Illinois for the Teen REACH Program.

MOTION:

Aldersperson Robinson moved to approve the budget adjustment as recommended; Aldersperson Parker seconded.

VOTE:

Motion PASSED on a 7-0-0 roll call vote. Aye: Hurt, Gilbert, Swanson, Parker, Poulos, Healy, and Robinson. Nay: None. Absent: None.

25. Report from the Community & Economic Development Department requesting the Parkway/I-280 TIF Fund 2021 (Fund 204) in the amount of \$535,220.63 be declared as surplus and returned to the Rock Island County Treasurer for distribution.

MOTION:

Aldersperson Hurt moved to approve the request as recommended; Aldersperson Gilbert seconded.

VOTE:

Motion PASSED on a 7-0-0 roll call vote. Aye: Hurt, Gilbert, Swanson, Parker, Poulos, Healy, and Robinson. Nay: None. Absent: None.

26. Report from the Community & Economic Development Department requesting approval to consolidate two existing parcels into one large parcel to accommodate construction of the new Federal Building at 1701 4th Avenue.

MOTION:

Aldersperson Parker moved to approve the final plat as recommended; Aldersperson Healy seconded.

DISCUSSION:

Aldersperson Gilbert requested that the department show original parcels on the plat in the future. CED Director Miles Brainard explained that the surveyors provided this plat so the department utilized the information available. Aldersperson Gilbert stated that the current documents appear as five parcels. Mr. Brainard also stated that it would be best practices to develop consistency since they have indicated the original parcels in the past. Mr. Brainard explained that the surveyors are displaying the original plat which is why it appears as five parcels as it was platted in the original community.

VOTE:

Motion PASSED on a 7-0-0 roll call vote. Aye: Hurt, Gilbert, Swanson, Parker, Poulos, Healy, and Robinson. Nay: None. Absent: None.

27. Report from the Mayor's Office regarding the reappointments and appointment to the Liquor Control Commission, Human Rights Commission, Water Pollution Control Commission, QC Civic Center Authority Board, Police Pension Board, and the Beautification Commission.

MOTION:

Aldersperson Parker moved to approve the appointment and reappointments as recommended; Aldersperson Poulos seconded.

DISCUSSION:

Aldersperson Swanson commented that we move toward making our committees more diverse with future appointments. Mayor Thoms remarked he tries to ensure this, but sometimes he does not receive new applications.

VOTE:

Motion PASSED on a 7-0-0 roll call vote. Aye: Hurt, Gilbert, Swanson, Parker, Poulos, Healy, and Robinson. Nay: None. Absent: None.

28. Report from General Administration regarding the appointment of Sergeant Matthew Franks as FOIA Officer.

MOTION:

Aldersperson Gilbert moved to approve the appointment as recommended; Aldersperson Healy seconded.

VOTE:

Motion PASSED on a 7-0-0 roll call vote. Aye: Hurt, Gilbert, Swanson, Parker, Poulos, Healy, and Robinson. Nay: None. Absent: None.

29. Other Business

Aldersperson Robinson inquired about the time frame for flags on display for special events. Mayor Thoms indicated there is no official policy but that the need to develop a policy has been discussed amongst himself, Public Works Director Mike Bartels, and City Manager Todd Thompson.

Aldersperson Poulos suggested requesting the Traffic and Engineering Committee discuss the perceived issue of speeding in cul-de-sacs and develop speed limits and post signs to mitigate speeding in cul-de-sacs. He also announced the upcoming Central Region Waterski Tournament event being held on July 9th and 10th at Ben Williams Park in Rock Island and invited all citizens.

City Manager Todd Thompson reported that if speeding issues were occurring in a specific location then the Traffic and Engineering Committee could go out and collect data then the Police could do some enforcement to show the need for a lowered speed limit. Aldersperson Gilbert inquired about the purchase of a new speed monitor that was in the budget. Deputy Chief Tim McCloud responded affirmatively.

Aldersperson Gilbert announced the Special City Council meeting on June 15, 2022 to continue discussing ARPA funds and developing guiding principles for spending. She encouraged residents to attend or watch live the stream on the City YouTube channel.

Aldersperson Swanson publicly apologized to Aldersperson Robinson for remarks during a previous meeting which she failed to distinguish two sensitive topics being discussed that led to pain and hurt. Aldersperson Robinson expressed appreciation for Aldersperson Swanson's apology.

Mayor Thoms shared about his participation with Kai Swanson in the dunk tank for Clock, Inc at Pride Fest. He also requested that Aldersperson Hurt provide an update for recycling.

Aldersperson Hurt stated that he attended a "Bring Back the Bins" discussion and provided a summary. He explained that residents were requesting a private drop-off site that would not be ideal for Rock Island. Mayor Thoms inquired about the discussion regarding the funding. Aldersperson Hurt stated that there isn't necessarily a budget issue as it is about consolidating two line items. At this time, residents are seeking a recommendation from Rock Island County Waste Management (RICWMA) for a possible location for a privatized drop-off center. Mayor Thoms inquired if there would be a vote regarding location or the budget.

Aldersperson Hurt explained that there is no plan for a location so the only potential vote would be related to funding. Aldersperson Gilbert clarified this would take two other line items with vague purposes and put them in the site subsidy line item as a place holder. If they can encourage another private vendor to host a more rural location then the \$80,000 could help cover the initial

capital costs of the site. Alderperson Hurt stated that he would notify Council if something changed to require their approval.

Luke Vanlandegen informed Council that Midland Davis is now hosting a bulk drop-off site in Moline by the Moline Public Works. Alderperson Hurt reported this site was the site he referenced earlier when he stated a Rock Island site would be too close to existing sites. Mayor Thoms provided a description of the location of the Moline drop off site for public knowledge.

30. Motion to Adjourn.

MOTION:

Alderperson Hurt moved to adjourn; Alderperson Robinson seconded.

VOTE:

Motion PASSED on a 7-0-0 roll call vote. Aye: Hurt, Gilbert, Swanson, Parker, Poulos, Healy, and Robinson. Nay: None. Absent: None.

The meeting concluded at 8:06 p.m.
