

Memorandum Public Works Department

To: City Manager
Subject: Surplus Vehicle/Equipment
Date: August 16, 2016
Number: 2016-155

Over the past few years Public Works/Fleet Services and Parks Department have acquired a large number of surplus vehicles and equipment. Attached is the list of vehicles/equipment to be surplus.

Priority shall be given to non-profit organizations to view and/or purchase surplus vehicles prior to the general public auction.

Non-profit organizations may obtain a listing of surplus vehicles. Purchase price will be based upon the official NADA used car guide. Vehicles may be viewed from 9:00 a.m. to 3:00 p.m. Monday through Friday, September 1-9, 2016, at the Public Works Facility. Vehicle purchase will be first come first served.

Recommendation

The Public Works Department recommends that City Council declare these items surplus; and that permission be given to dispose of the surplus vehicles/equipment at the upcoming auction or in a manner that will be advantageous to the City of Rock Island.
