

Rock Island Arts Update

Arts Commission

Four new sculptures were installed and one sculpture remained as part of the rotating sculpture program with Quad City Arts. The process begins with selections made by the Arts Commission and the Parks and Recreation Department.

This year the Arts Commission placed “Rainworks” stencils at twenty-six different locations around the City of Rock Island. The designs displayed words of encouragement and can only be seen when it rains!

A new mural was painted by the Quad City Arts Metro Youth Program on the Friendship Manor Maintenance Building at 11th Street and 21st Avenue.
