

**Memorandum
Community and Economic Development**

To: Randall Tweet, Interim City Manager
Subject: Ceding of Private Activity Bonding Cap
Date: April 17, 2017

Attached is a letter from Andrew Hamilton, Executive Director of the Quad Cities Regional Economic Development Authority (QCREDA) requesting consideration of the transfer of the City's 2017 Home Rule Volume Cap to QCREDA.

Under the Federal Tax Reform Act of 1986, The City receives an annual allocation of private activity bonding cap that can be used to provide below market rate financing for Economic Development and/or housing projects. The allocation is calculated on a per capita basis with the City's allocation equal to our population times \$100.00 for a total of \$3,862,000.00. Pursuant to a law passed by the Illinois General Assembly some years ago, the City may either allocate its bonding cap to a specific project or cede it to another city or development agency.

In past years, we have ceded our cap to the Quad Cities Regional Economic Development Authority (QCREDA) and to the Illinois Housing Development Authority (IHDA). Three years ago QCREDA issued bonds supporting local projects on behalf of LRC (supporting the Hill & Valley project) and Friendship Manor. Over the years PFG, Thoms Proestler, Seaburg Industries, Steel Warehouse, Watts Trucking, and Augustana College have used QCREDA to finance projects in the City. Ceding the cap to QCREDA allows the City to retain access to the cap until the end of the current calendar year.

Due to the condition of the national and state economies, cap for economic development projects is generally available as there are not many projects being financed although. In addition, staff is not aware of any local projects far enough along that would be eligible to use private activity bonds as a financing tool. Therefore, staff suggests the City's entire 2017 bonding cap be ceded to QCREDA.

RECOMMENDATION:

That Council passes an ordinance ceding the City's 2017 private activity volume bonding cap to the Quad Cities Regional Economic Development Authority.

March 7, 2017

The Honorable Dennis E. Pauley, Mayor
City of Rock Island
1528 Third Avenue
Rock Island, IL 61201-8612

Dear Mayor Pauley:

The Quad Cities Regional Economic Development Authority (QCREDAs) respectfully requests consideration for the transfer of your 2017 Home Rule Volume Cap to QCREDAs for economic development and housing projects. We have mutually benefited from working with other communities that have allowed QCREDAs to successfully issue over \$188,000,000 in bonds that have created over 2,300 jobs.

QCREDAs has developed relationships with home rule communities and other regional development authorities in working together to accommodate the Volume Cap needs of their projects. Some years, we have more projects than Volume Cap and other years we have more Volume Cap than projects. At the end of the calendar year, Volume Cap can be carried forward for three years, but once carried forward, it can no longer be transferred. We have developed a mutually beneficial relationship between communities, counties and other regional development authorities to graciously share this valuable resource for the benefit of the region. We feel it is fair to help a neighbor that has helped us in the past. The rising tide raises all of the boats.

As you may be aware, home rule communities receive a direct allocation in 2017 equal to their population times \$100. The 2017 State of Illinois Allocation guidelines identify Rock Island's population at 38,620, so your 2017 Volume Cap Allocation is \$3,862,000. You are required to obligate this allocation by May 1st of each calendar year or it automatically goes back to the State of Illinois for reallocation to other entities in June of each calendar year. If the City of Rock Island would consider passing an ordinance transferring their 2017 allocation to QCREDAs prior to May 1st, then QCREDAs would be able to keep this cap until December 31st. This action would allow the City to maintain control of their Volume Cap past May 1st.

QCREDAs is interested in serving in this capacity in order to develop a relationship with home rule communities to be able to trade cap in up and down years. We respectfully request if you have no need for the cap by September 1st that you allow us to use it to benefit the residents of QCREDAs. If the City is interested, I have taken the liberty of enclosing a draft ordinance for you to review as well as a draft letter to the Governor's Office. I am available to meet with any City official you wish regarding this matter. Please call me at 866-325-7525 if you have any questions. Please send a copy of the Ordinance/Resolution and notification letter to the Governor's Office of Management and Budget, as well as a copy to QCREDAs Chicago at 1032 S. Vine Ave, Park Ridge, IL 60068.

Sincerely,

Andrew Hamilton
Executive Director
