

City of Rock Island Building Permit Fees

2019

NOTE on VALUATION: The value used to determine the cost of the Building Permit is the total replacement value of all construction work for which the permit is issued, as well as all finish work, painting, roofing, electrical, plumbing, and heating, air conditioning, elevators, fire-extinguishing systems, and contractor overhead and profit. Not included in the total value: Land acquisition cost, grading and excavation work, paving, exterior sidewalks, and site work such as installation of city-required infrastructure. Note that separate permits and fees are required for grading and excavation, electrical, mechanical, plumbing, signs, etc. as set forth in other ordinances of the City of Rock Island.
