

September 11<sup>th</sup>, 2019

Dear Contractor:

Your 2019 Plumbing License will expire on September 30, 2019. In order to obtain a permit in 2019-2020, your registration must be current. The form for renewal can be located on the City website at [rigov.org](http://rigov.org). You may print the registration off and mail it to the Inspection Division or email it to [Inspection@rigov.org](mailto:Inspection@rigov.org). **Keep in mind that it is the contractors' responsibility to keep current, updated copies with the City.**

**Please keep the following other contractor responsibilities in mind when performing work in Rock Island:**

- City code requires that permits must be pulled before work is performed and that permit must be retained on the job site. This office understands that emergency repairs/replacements do occur, and those permits must be submitted as soon as possible.
- City code requires that inspections are conducted during applicable stages in the build and that a final inspection or occupancy inspection is conducted in order to close the permit. **Every permit issued requires an inspection.** It is the responsibility of **the contractor** to call or email all inspection requests to the Inspection Division upon completion of work in a timely manner.
- If there is a change in the scope of work, the proposed change must be submitted to this office in writing and it must be approved by the Building Official before modifications are initiated.
- **ALL INSPECTIONS REQUIRE A MINIMUM OF 24 HOUR NOTICE**

**Please submit:**

- 2019-2020 Plumbing Registration
- Current copy with new 2020 expiration date of the 055 license.
- If you have not submitted a current copy of your 058 license from April 2019, please do so at this time.
- If you do not have a 055 or 058 please submit the receipts of payments or a printout from the website with the expiration dates. Once you receive official copies then you will need to submit those at that time.

I look forward to working with you throughout the year.

Sincerely,

Tim DeLathower  
Interim Chief Building Official
