

December 3rd, 2019

Dear Mechanical Contractor:

Your 2019 contractor registration will expire on December 31st, 2019. In order to obtain a permit in 2020, your registration must be current. The form for renewal can be found at rigov.org under mechanical contractor registration. You may mail, fax, or email the completed forms. **Keep in mind that it is the contractors' responsibility to keep their insurance and bond current.**

Please keep the following other contractor responsibilities in mind when performing work in Rock Island:

- City code requires that permits must be pulled **before** work is performed and that permit must be retained on the job site. This office understands that emergency repairs/replacements do occur, and those permits must be submitted as soon as possible.
- City code requires that inspections are conducted during applicable stages in the build and that a final inspection or occupancy inspection is conducted in order to close the permit. **Every permit issued requires an inspection.** It is the responsibility of **the contractor** to call or email all inspection requests to the Inspection Division upon completion of work in a timely manner.
- If there is a change in the scope of work, the proposed change must be submitted to this office in writing and it must be approved by the Building Official before modifications are initiated.

- **ALL INSPECTIONS REQUIRE A MINIMUM OF 24 HOUR NOTICE**

Beginning January 1st, 2018, the 2015 International Codes were implemented.

On November 20th, 2017, City Council passed a recommended ordinance to implement the 2015 International Codes (IBC, IRC, IFC, IMC, IFGC, and IEBC), 2011 NEC, 2015 IECC, the 2014 Illinois Plumbing Code and the IPC for matters not covered by the IL Plumbing Code. **All construction after December 31st, 2017 must conform to the minimum requirements of the 2015 I-Codes.** You may request copies of local amendments by contacting the Inspection Division via email at Inspection@rigov.org or calling us at 309.732.2910 during normal business hours.

There are copies of the local amendments as well as permit applications and fee schedules are available on the city website: <http://www.rigov.org>

All construction must conform to the 2018 IECC.

I look forward to working with you throughout the year.

Sincerely,

Tim DeLathower
Interim Chief Building Official
