

## Participation Guidelines for Programs and Facilities

Rock Island Parks and Recreation will be using the following guidelines for programs and facilities to prevent the spread of COVID-19 in accordance with the Illinois Department of Commerce & Economic Opportunity Restore Illinois Phase 4 Guidelines. The guidelines are subject to change as new information becomes available. Please check back often for updates.

- Anyone with symptoms of COVID-19, or from a household with someone with symptoms of COVID-19, should not take part in a Rock Island Parks and Recreation program or use of facilities. In addition, staff may require temperatures to be taken at entry or before participation. Temps of 100.4 or higher or anyone exhibiting signs of illness/fever will be turned away.
- All Staff and patrons ages 2 and older will be required to wear a face covering over their nose and mouth when indoors upon entry, in common areas of buildings, and when a 6 ft distance cannot be maintained. Masks may be removed when swimming or exercising with social distancing rules in place.
- Patrons participating in outdoor activities/facilities or visiting a park should wear a face covering when not able to maintain a social distance of at least 6 feet apart, especially at entry/exit points, while waiting in line, or while using restroom facilities.
- Frequent handwashing and hand sanitizing are strongly encouraged.
- Staff will clean and disinfect surfaces and touch points throughout the facilities frequently throughout the day.
- Registrations for programs will be limited and facility capacity will be at 50% while in phase 4. Pre-registration or scheduling of visits may be required. Spectators may be limited at sporting activities, and there is to be no congregating. Special events will be limited with social distancing in place.
- Amenities that will remain closed during Phase 4 include drinking fountains, whirlpools, steam rooms, and saunas.
