Re: Request for Live Music on the Enclosed Patio

Dear Mayor Pauley:

Platinum Hospitality Group LLC the operator Gendler's / Black Ram located at 1401 -1407 30th Street is requesting the commissioners permission to have outside entertainment on a 4,000 sf patio that is being constructed within the fenced area at the SEC of 30th Street and 14th Avenue.

The music could be live from the hours of 11am through 11pm on Thursdays, Fridays, Saturdays and Sundays. We would like to have Sunday Brunch Jazz music and live bands during the other requested days and times. We have recently added the required entertainment fee to our liquor license.

Inside the fenced patio area there will be no vehicular traffic and entry to the patio will only be accessed from the inside of the Gendler's/Black Ram location.

Thank you for your consideration of this request.

Best Regards,
