Request to Remove One Side Only Parking - 2800-2900 Blocks of 36th Street

September 4, 2012

Robert T. Hawes, P.E.
Assistant City Manager/Public Works Traffic
Engineering Committee

Dear Mr. Hawes:

Attached are four pages of signatures for a petition from residents on 36th Street, Rock Island, Illinois, requesting that parking on both sides of 36th Street, between 30th and 28th Avenues, be restored. These sheets of signatures consist of 34 residents in 18 homes.

At the present time, "one side only" parking (East side of 36th Street) is permitted. This restriction often causes inconvenience to many residents of the area. We do not believe that restoration of "both side" parking would interfere with the flow of traffic on 36th Street.

We request consideration of this petition by the Public Works Traffic Engineering Committee and approval of this request.

Yours truly,

Jane Grahlmann
