

**Memorandum
Public Works Department**

To: City Manager
Subject: Blended Anti-Ice Fluid Purchase
Date: October 31, 2012
Number: 2012-244

The City of Rock Island solicited bids for a blended anti-ice product for anti-icing the streets prior to a snowstorm and for applying to the salt during snow removal operations. The product is a blend of salt brine, beet juice, and calcium chloride. Bids were opened on October 30, 2012. Three bids were received:

<u>Vendor</u>	<u>Blend (brine/beet/calcium)</u>	<u>Price per gallon</u>	<u>Total (20,000 gallons)</u>
Ossian, Inc.	80/10/10	\$.65	\$13,000.00
Ossian, Inc.	70/20/10	\$.75	\$15,000.00
SNI Solutions, Inc.	70/20/10	\$.95	\$19,000.00

All bids were below the budgeted amount of \$1.20 per gallon.

The performance of the 80/10/10 blend is nearly identical to the 70/20/10 blend.

Recommendation

The Public Works Department recommends that the City Council award the bid to Ossian, Inc. in the amount of \$13,000.
