

**Memorandum
Public Works Department**

To: City Manager
Subject: Neighborhood Water Improvement Program, Phase 2
Project 2678
Date: January 22, 2013
Number: 2013-015

The Engineering Division has been in discussions with Shive-Hattery, Inc in regards to extending their contract for engineering design and construction inspection service for phase 1 of the Neighborhood Water Improvement Program from last year to cover this year's second phase.

Phase 1 of this program is to upgrade and upsize the existing 6-inch and 4-inch water mains with new 8-inch water main along 12th Avenue, between 20th and 23rd Streets. Phase 2 is to upgrade and upsize the water mains along 23rd Street, between 9th and 10th Avenues and 24th Street, south of 9th Avenue. Construction of both phases will be in 2013.

The Engineering Division originally solicited qualifications from engineering firms for design and construction inspection services for phase 1 and Shive-Hattery was selected and approved by the City Council at their July 9, 2012 meeting and their contract was approved at the August, 13, 2012 meeting.

Shive-Hattery has agreed to extend their contract to provide these additional engineering services at their standard hourly rates at an estimated total cost of \$12,300.

Recommendation

The Public Works Department recommends that the City Council approve the attached agreement for professional services with Shive-Hattery, Inc. for phase 2 of the Neighborhood Water Improvement Program at a total estimated fee of \$12,300 and that the City Manager be authorized to sign the agreement on behalf of the City of Rock Island.
