

**MEMORANDUM
FINANCE DEPARTMENT**

TO: Mr. Thomas Thomas, City Manager
SUBJECT: Adjustment to the FY2013 Budget

Number: 054 - 13
Date: 02-27-13

An adjustment to the FY2013 budget in the amount of \$239,184.00 is requested by the Community / Economic Development Department reference payment to the Rock Island Economic Growth Corporation for pre-development activities associated with The Locks project.

The funding for this portion of The Locks project is from the issuance of the 2009A G.O. Bond that was originally designated for Schwiebert Park but which the bond counsel, Katten Muchin Rosenman LLP, has indicated may be redirected for projects in the Downtown TIF area. The use of a portion of these remaining bond funds will allow the Community / Economic Development Department to forego at this time the issuance of new TIF supported bonds which were described as a potential funding source for The Locks project in the memo presented to the City Council on October 1, 2012.

A copy of the cover letter from Rock Island Economic Growth Corporation requesting reimbursement is attached. The requested budget adjustment is for the following account number:

301-312801-54101-6171000	\$239,184.00	Contributions/Sponsorship
--------------------------	--------------	---------------------------

Recommendation: Council approve the adjustment increasing the Capital Improvement Fund (301) budget for FY2013 by \$239,184.00.

Donald Reichert, Budget Coordinator
