Subject: General Liability Claim

Date: 4-29-13

The General Liability Committee approved one (1) general liability claim for more than \$500.00 for payment.

Abby Waymack: The Waymacks bought their home in November 2012. The previous owner was on the sewer lateral repair program and had a portion of the Orangeburg pipe replaced prior to the sale of the home. After the Waymack moved in they had 3 sewer backups during January 2013 and City personnel decided the entire Orangeburg pipe needed to be replaced. After the January excavation the Waymacks noticed their basement walls begin to crack, filed a claim with their homeowners and it was denied based on Earth Movement. The cracks were the result of the City's excavation equipment.
