

**MEMORANDUM**  
**COMMUNITY & ECONOMIC DEVELOPMENT DEPARTMENT**

---

**TO: Thomas Thomas, City Manager**

**SUBJECT: Embassy Square Project**

**DATE: 5/28/13**

---

Over the past few months, staff has been working with the owners of Embassy Square Mall and Deere Harvester Credit Union (DHCU) to place a new ATM machine, landscaping, and new sign on the property at 2365 11<sup>th</sup> Street.

The provided site plan shows the placement of the landscaping along 11<sup>th</sup> Street or on the west side of the property. The ATM machine will be placed at the north end of the parking lot with room to stage cars as they enter the property or access the machine from the south. The provided location map offers a view of where the ATM and new sign will be situated on the site in relationship to the new landscaping.

Related site preparation costs include running the electrical service from the back of the property to support the new ATM machine and sign. In addition, the removal of existing pavement, addition of dirt and other preparations will be required for the new landscaping.

Total cost for this project is \$68,808 and includes \$20,229 for the ATM site work, \$23,784 to prepare the landscaping area, \$15,834.79 for the landscaping materials, and \$8,960 for the new sign. DHCU will provide the ATM machine, manage the installation process and any future machine maintenance.

Staff recommends supporting this project as it will bring much needed banking services to the 11<sup>th</sup> Street corridor and support the revitalization efforts currently underway at the Embassy Square Mall location.

Vendor: Various Contractors

Payment Amount: \$68,808

Account #: 203-312801-52306-0000000 \$ 20,229.00  
203-312801-55313-0000000 \$ 39,618.79  
203-312801-55307-0000000 \$ 8,960.00

**Recommendation:**

Council authorize the budget adjustment in North 11<sup>th</sup> Street TIF and payment of \$68,808 to support the site preparation, landscaping, and new sign expenses at 2365 11<sup>th</sup> Street.

**Submitted by: Mary Chappell, Land & Development Programs Coordinator**

Mr. Jeff VanHerzeele  
DHCU Community Credit Union

Jeff,

Thank you for allowing Centennial Contractors to quote the ATM Machine Project located at 2367 11<sup>th</sup> Street Rock Island. After our meeting on site I met with Tri-City Electric to determine how to feed the ATM Machine with power. Our price is based on the following:

**ATM Work**

- Saw cut and remove paving on south east corner of property behind building next to existing power pole with transformer
- Saw cut and remove paving at ATM location for ATM foundation and bore
- Provide (2) 2" empty raceway directional bored from service pole to ATM location
- Install (1) 100 amp meter socket and ridged steel riser for power company connection located on ATM
- Install 60 amp (due to voltage drop) wiring and terminate at ATM
- Provide pull string in empty 2" conduit for phone company
- Excavate dirt and haul off site for ATM base
- Provide rebar for foundation
- Set up and pour concrete foundation with base plates
- Install two (4) pipe bollards
- Patch paving around new ATM pad
- Permit for foundation work

**Total Price ATM Work:**

**\$ 20,229.00**

**Landscaping:**

- **Sawcut 170' x 18' existing paving**
- **Remove existing paving**
- **Core out 18" of subgrade**
- **Import black dirt 18"**
- **Pour concrete curb**
- **Price could vary depending on how much excavation is required for landscaping**

**Total Price for Landscaping Work: 23,784.00**

We hope the following information is helpful in your decision to move forward with this project. We look forward to meeting with you to discuss how Centennial Contractors can assist you in proceeding with your construction effort.

Sincerely,

Zack Sottos
