Whereas, the State of Illinois has enacted "An Act regulating wages of laborers, mechanics and other workers employed in any public works by the State, county, city or any public body or any political subdivision or by anyone under contract for public works," approved June 26, 1941, codified as amended, 820 ILCS 130/1 et seq. (1993), formerly Ill. Rev. Stat. Ch. 48, Par. 39s-1 et seq.

Whereas, the aforesaid Act requires that the City of Rock Island investigate and ascertain the prevailing rate of wages as defined in said Act for laborers, mechanics and other workers in the locality of said Rock Island employed in performing construction of public works, for said City of Rock Island.

BE IT ORDAINED BY MAYOR AND CITY COUNCIL OF ROCK ISLAND, ILLINOIS

Section One: To the extent and as required by "An Act regulating wages of laborers, mechanics and other workers employed in any public works by State, county, city or any public body or political subdivision or by anyone under contract for public works," approved June 26, 1941, as amended, the general prevailing wages in the locality for laborers, mechanic and other workers engaged in construction of public works coming under the jurisdiction of the City is hereby ascertained to be the same as the prevailing rate of wages for construction work in Rock Island County as determined by the Department of Labor of the State of Illinois as of June of the current year, a copy of that determination being attached hereto and incorporated herein by reference. As required by said Act, any and all revisions of the prevailing rate of wages by the Department of Labor of the State of Illinois shall supersede the Department's June determination and apply to any and all public works construction undertaken by the City. The definition of any terms appearing in this Ordinance which are also used in aforesaid Act shall be the same as in said Act.

Section Two: Nothing herein contained shall be construed to apply said general prevailing rate of wages as herein ascertained to any work or employment except public works construction of the City to the extent required by the aforesaid Act.

Section Three: The City Clerk shall publicly post or keep available for inspection by any interested party in the main office of the City this determination or any revisions of such prevailing rate of wage. A copy of this determination or of the current revised determination of prevailing rate of wages then in effect shall be attached to all contract specifications.

Section Five: The City Clerk shall promptly file a certified copy of the Ordinance with both the Secretary of State Index Division and the Department of Labor of the State of Illinois.

Section Six: The City Clerk shall cause to be published in a newspaper of general circulation within the area a copy of this Ordinance, and such publication shall constitute notice that the determination is effective and that this is the determination of this public body.

Section Seven: All ordinances and parts of ordinances in conflict herewith are hereby repealed as they do conflict.

Section Eight: This ordinance shall be in full force and effect from and after its passage and approval, as required by law.

Explanations

ROCK ISLAND COUNTY

MILLWRIGHT (SOUTH) - South of Interstate 80.

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

Oil and chip resealing (O&C) means the application of road oils and liquid asphalt to coat an existing road surface, followed by application of aggregate chips or gravel to coated surface, and subsequent rolling of material to seal the surface.
