To whom it concerns,

I would like to request that the handicapped parking signs located in front of 2830 5 1/2 Avenue, Rock Island, Illinois be removed. The reason for this petition is that the property the signs are located in front of was purchased, and then demolished. There is no longer any handicapped party who benefits from the signs. It would be a benefit to others to be able to park in the space.

Mr. and Mrs. Ronald George Trich Jr.
