The following is a tabulation of responses from letters mailed to nearby residents:

2334 39 th Street	Recommendation:	Supports Request
	Comments:	None
2338 39 th Street	Recommendation:	Supports Request
	Comments:	None
2343 39 th Street	Recommendation:	Supports Request
	Comments:	There's too many cars parking along that section.
2346 39 th Street	Recommendation:	Supports Request
	Comments:	Everybody has a driveway in this neighborhood anyway, so this should not be a problem.
2350 39 th Street	Recommendation:	Supports Request
	Comments:	None
2351 39 th Street	Recommendation:	Does Not Support Request
	Comments:	Handicapped son parks in (nice long) driveway. Neither Al nor Anne drive. This would take up parking spots for other families with multiple (x4 or more) drivers. Street too narrow to park on both sides. Also, healthcare workers that need to park in front of their residence could not park in the handicapped space.

Recommendation: Does Not Support Request

Comments: I'm sorry, but they don't even drive or have a car/also they have 3 or 4 adult kids that pop in all the time, and they will be parking in front of everyone 's house/+ a day nurse, they will be sending cars to everyone elses property just because they don't want people parking in front of their house. P.S. They called the Police about someone parking in front and he told them to try to get handicap sign to stop it.

HANDICAPPED PARKING SPACE REQUEST

To install a handicapped parking space in the City of Rock Island you must first complete this Handicapped Parking Space Request form and return it to:

City of Rock Island Public Works
ATTN: Traffic Engineering
1309 Mill Street
Rock Island, IL 61201

Upon receipt of this Handicapped Parking Space Request form, the Traffic Engineering Committee (TEC) will review the request and send a letter to neighbors requesting their input. The TEC will then make a recommendation to the City Council. A letter will be sent to the person requesting the handicapped parking space indicating the date of the City Council meeting along with a copy of the TEC recommendation.

The installation of a handicapped parking space does not restrict the handicapped parking space to only the person requesting the space but is accessible to anyone with a handicapped license plate or placard.

If you have any questions regarding the procedures of installing a handicapped parking space, please feel free to call the City of Rock Island's Public Works Department at (309)732-2200.
