

# City of Rock Island

## Construction Parking Permits

**Construction Permits** must be used for construction purposes only. Construction Permits are not to be used to provide transportation to and from work.

Construction vehicles must have the following signage on their vehicle:

- Name of company
- Phone number of the company
- Abbreviations are acceptable as long as the company name is understood
- Letters and numbers must be a minimum of 1 inch in height
- Signs must be printed and not handwritten
- Company name and phone number may be on one line or two separate lines
- Sign must be magnetic or vinyl
- Signs must be placed on both sides of the vehicle

The cost of a Construction Permit is \$5 per month.
