

**Memorandum
Public Works Department**

To: City Manager
Subject: Residential Parking (Type B)
Date: May 12, 2014
Number: 2014-107

SOURCE OF REQUEST:

Bonnie Liva
1740 9th Avenue
Moline, IL 61265

NATURE OF REQUEST:

The Traffic Engineering Committee received a letter from Bonnie Liva, owner of the duplex at 600 34th Street, to install residential parking (Type B) along the north side of 6th Avenue between 32nd and 34th Street.

CONTACTS WITH RESIDENTS:

Letters were sent to neighbors and no responses were received.

TRAFFIC STUDY INFORMATION:

The Traffic Engineering Committee is reluctant to install residential parking the entire length of 6th Avenue between 32nd and 34th Street. Instead, the Traffic Engineering Committee recommends that residential parking (Type B) be installed directly adjacent to the property located at 600 34th Street. The residential parking area would be located on the north side of 6th Avenue between 34th Street west to the alley.

There is no parking on the south side of 6th Avenue.

Residential Parking Type B Area—The resident or residents of a dwelling unit which abuts or is adjacent to a designated residential parking only area may obtain from the Finance Department of the City, by payment of a five dollar (\$5.00) fee, a parking permit for each owned, leased, rented or assigned vehicle. This permit will allow parking without time restriction in any otherwise legal parking space within the designated area. These (3) permits shall not be transferable to other vehicles.

Each resident issued a parking permit will also receive without additional fee two (2) visitor parking permits which may be displayed only upon vehicles not registered to residents of the dwelling and may be transferred between vehicles. Visitor parking permits may be displayed only on vehicles used by persons not at the home of the resident to whom the permit was issued.

In the event that a resident does not own any vehicles, two (2) visitor permits may be obtained by payment of a five dollar (\$5.00) fee.

COST:

The cost to the city is minimal.

RECOMMENDATION:

The Traffic Engineering Committee recommends that the City Council approve the recommendation to install residential parking (Type B) on the north side of 6th Avenue between 34th Street west to the alley and direct the City Attorney to prepare the necessary paperwork.

Re: RESIDENT PARKING Only Signs

I, Bonnie Liva, owner of duplex at 600 34th St
Rock Island, am requesting RESIDENT PARKING, ONLY
PERMIT B signs be put up along 6th Ave,
between 34th St and 32nd St. There is no
33rd St.

My tenants are Augustana students. There are
6 tenants, meaning 6 cars.

The parking has become a big problem since
enrollment has increased considerably over
the year. I have owned the building since
1992.

There are no houses across the street
except "Magic Vegetable Garden", so there is no
need for a petition. Parking for my tenants
is allowed on the North side of the street only.

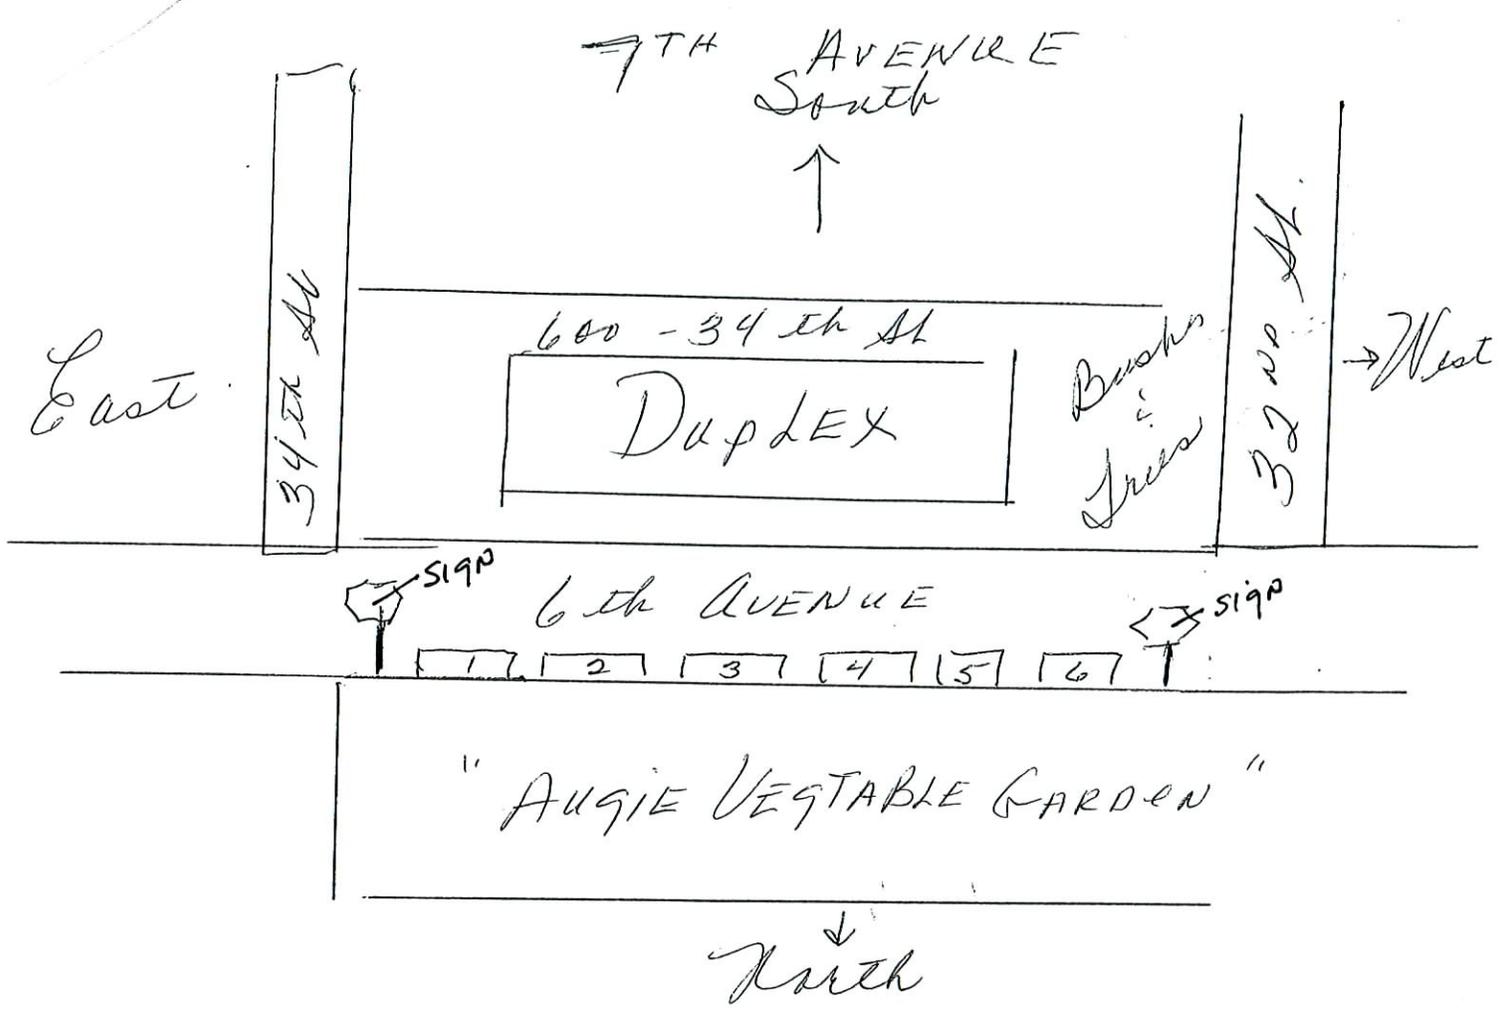

Michele, if you can get this resolved as
quickly as possible, it would be greatly
appreciated

Sincerely

Bonnie R. Liva
