To: Thomas Thomas, City Manager
Subject: Pyrotechnic Display Permit at Jumer's Casino and Hotel
Date: June 16, 2014

Attached is a memo from Fire Marshal Greg Marty detailing the application review process for a pyrotechnic display permit request from John Norris of J&M Displays. This permit request is in regards to a Fireworks Display to be held for the guests of Jumer's Casino and Hotel on Saturday, July 26, 2014 on Jumer's Casino and Hotel property at approximately 10:00 pm at 777 Jumer Drive. The Fireworks Display will immediately follow a concert that will be held on Jumer's Hotel patio.

John Norris from J & M Displays is a licensed pyrotechnics distributor and operator and will be the technician for the Fireworks Display. Mr. Norris is working with Fire Marshal Greg Marty to ensure that all the proper procedures are being followed. Fire Marshal Marty has reviewed and approved the application.

Also attached is a letter from Bill Renk, Director of Public Relations and Promotions on behalf of Jumer's Casino and Hotel requesting permission for the Fireworks Display. It is noted that Mr. Norris is under contract with Jumer's.

Article I of Chapter 10, Sec. 10-9 of the Code of Ordinances does not permit fireworks to be discharged in the City of Rock Island. Prior to the permit being issued and for the Fireworks Display to move forward, it is recommended that Council temporarily waive the ordinance.

The pyrotechnics display permit application, map, insurance and a copy of the identified section of the ordinance is attached.

RECOMMENDATION:

It is recommended that Council approve the fireworks display and temporarily waive Article I of Chapter 10, Sec. 10-9 of the Code of Ordinances, and authorize the Fire Marshal's office to issue the pyrotechnic display permit.

TO: Aleisha Patchin, City Clerk
SUBJECT: Pyrotechnic Display Permit Application
DATE: 6/11/14

An application for a pyrotechnic display has been submitted to my office by John Norris of J & M Displays. Mr. Norris is a licensed pyrotechnics distributor and operator. He possesses the required Illinois certifications through the Illinois State Fire Marshal's office. His application was submitted within the prescribed time limitations required under Illinois State Statutes.

A permit has been requested for a fireworks display to be held on July 26, 2014 at 9:30 p.m. at Jumer's Casino at 777 Jumer's Drive. The show will be for Jumer's guests. The show will be shot using a professionally licensed shooter with all the required state and federal licensures. The application has been reviewed and found to be in order. All safety measures and practices are understood and will be followed.

As part of the application process, the applicant must be granted a variance of the City of Rock Island Code of Ordinances, Chapter 10, Article 1, Sec. 10-9 before a permit may be issued. Before the permit is issued the completed application must be reviewed and the variance must be granted.
