Letter of Request

Dear Mayor Pauley:

We would like to be added to the agenda at the next City Council meeting to ask permission to set up outdoor seating on the east side of our building while also allowing the consumption of beer and wine. We simply want to offer more to our patrons. We will make sure, as we have done the last three years, that there are no underage drinkers, no fights, no broken bottles, and we will work within the city's guidelines, of course.

Thank you for your time and consideration.

Sincerely,

A handwritten signature in black ink, appearing to read "B. Fawks".

OK.
