It's on 19th street. I assume you're on the traffic engineering committee? When would this topic be discussed? A lady called and left me a message about the meter and I'd like to let her know what I'm doing about it and when she can expect some sort of resolution - either good or bad.

Thank you,
 Angela

The procedure is to send a letter to the Traffic Engineering Committee stating what you want. In this case your e-mail is fine. Where is the meter (4th Ave or 19th St?)

Randy,
 Can you remind me what I need to do to get the 1 parking meter removed from in front of the library? Thank you,
 Angela
