We the residents of Sala Flats at 1829 - 4th Avenue, Rock Island are petitioning the city to change the parking regulations in front of the building. Currently the time limit is two hours. We are asking the city to change it to free parking from the northwest side of 19th Street on 4th Avenue to the alley.

Many of the residents work second or third shift and are not able to move their car every two hours. Some of the residents have received hundreds of dollars in parking tickets and also have had a boot put on their car, costing them hundreds of dollars.

There are 33 apartments located at Sala Flats. The following residents have signed the petition.
