The final principal amount of the 2014B Bonds maturing on December __, 20__, is \$_____.

Section 4. General Terms of Bonds. The 2014A Bonds and the 2014B Bonds are herein collectively called the “Bonds”. The Bonds shall be issuable in the denominations of \$5,000 or any integral multiple thereof and may bear such identifying numbers or letters as shall be useful to facilitate the registration, transfer and exchange of Bonds. Unless otherwise determined in the order to authenticate the Bonds, each Bond delivered upon the original issuance of the Bonds shall be dated as of their date of issuance. Each Bond thereafter issued upon any transfer, exchange or replacement of Bonds shall be dated so that no gain or loss of interest shall result from such transfer, exchange or replacement.

The principal of the Bonds shall be payable in lawful money of the United States of America upon presentation and surrender thereof at the corporate trust office of Wells Fargo Bank, N.A., in the City of Chicago, Illinois, which is hereby appointed as bond registrar and paying agent for the Bonds. Each Bond shall bear interest from its date, computed on the basis of a 360 day year consisting of twelve 30 day months and payable in lawful money of the United States of America on each interest payment date to the registered owners of record thereof appearing on the registration books maintained by the City for such purpose at the corporate trust office of the bond registrar, as of the close of business on the 15th day of the calendar month next preceding the applicable interest payment date. Interest on the Bonds shall be paid by check or draft mailed to such registered owners at their addresses appearing on the registration books or by wire transfer pursuant to an agreement by and between the City and the registered owner.

Section 5. Redemption Provisions. All Bonds subject to mandatory sinking fund redemption shall be redeemed at a redemption price equal to the principal amount thereof to be redeemed. The bond registrar is hereby authorized and directed to mail notice of the mandatory sinking fund redemption of the Bonds in the manner provided this Section.

Whenever Bonds subject to mandatory sinking fund redemption are redeemed at the option of the City, the principal amount thereof so redeemed shall be credited against the unsatisfied balance of future sinking fund installments or final maturity amount established with respect to such Bonds, in such amounts and against such installments or final maturity amount as shall be determined by the City in the proceedings authorizing such optional redemption or, in the absence of such determination, shall be credited pro-rata against the unsatisfied balance of the applicable sinking fund installments and final maturity amount.

On or prior to the 60th day preceding any sinking fund installment date, the City may purchase Bonds, which are subject to mandatory redemption on such sinking fund installment date, at such prices as the City shall determine. Any Bond so purchased shall be cancelled and the principal amount thereof so purchased shall be credited against the unsatisfied balance of the next ensuing sinking fund installment of the Bonds of the same series and maturity as the Bond so purchased.

In the event of the redemption of less than all the Bonds of like series and maturity, the aggregate principal amount thereof to be redeemed shall be \$5,000 or an integral multiple thereof and the bond registrar shall assign to each Bond of such series and maturity a distinctive number for each \$5,000 principal amount of such Bond and

shall select by lot from the numbers so assigned as many numbers as, at \$5,000 for each number, shall equal the principal amount of such Bonds to be redeemed. The Bonds to be redeemed shall be the Bonds to which were assigned numbers so selected; provided that only so much of the principal amount of each Bond shall be redeemed as shall equal \$5,000 for each number assigned to it and so selected.

Notice of the redemption of Bonds shall be mailed not less than 30 days nor more than 60 days prior to the date fixed for such redemption to the registered owners of Bonds to be redeemed at their last addresses appearing on said registration books. The Bonds or portions thereof specified in said notice shall become due and payable at the applicable redemption price on the redemption date therein designated, and if, on the redemption date, moneys for payment of the redemption price of all the Bonds or portions thereof to be redeemed, together with interest to the redemption date, shall be available for such payment on said date, and if notice of redemption shall have been mailed as aforesaid (and notwithstanding any defect therein or the lack of actual receipt thereof by any registered owner) then from and after the redemption date interest on such Bonds or portions thereof shall cease to accrue and become payable. If there shall be drawn for redemption less than all of a Bond, the City shall execute and the bond registrar shall authenticate and deliver, upon the surrender of such Bond, without charge to the owner thereof, in exchange for the unredeemed balance of the Bond so surrendered, Bonds of like series, maturity and interest rate and of the denomination of \$5,000 or any integral multiple thereof.

The bond registrar shall not be required to transfer or exchange any Bond after notice of the redemption of all or a portion thereof has been mailed. The bond registrar

shall not be required to transfer or exchange any Bond during a period of 15 days next preceding the mailing of a notice of redemption that could designate for redemption all or a portion of such Bond.

Section 6. Sale and Delivery. The 2014A Bonds are sold to _____, as purchaser, at a price of \$_____ and accrued interest from their date to the date of delivery and payment therefor. The 2014B Bonds are sold to _____, as purchaser, at a price of \$_____ and accrued interest from their date to the date of delivery and payment therefor. The Official Statement prepared with respect to the Bonds is approved and “deemed final” as of its date for purposes of Securities and Exchange Commission Rule 15c2-12 promulgated under the Securities Exchange Act of 1934.

The Mayor, City Clerk and other officials of the City are authorized and directed to do and perform, or cause to be done or performed for or on behalf of the City each and everything necessary for the issuance of the Bonds, including the proper execution and delivery of the Bonds and the Official Statement.

Section 7. Execution and Authentication. Each Bond shall be executed in the name of the City by the manual or authorized facsimile signature of its Mayor and the corporate seal of the City, or a facsimile thereof, shall be thereunto affixed or otherwise reproduced thereon and attested by the manual or authorized facsimile signature of its City Clerk.

In case any officer whose signature, or a facsimile of whose signature, shall appear on any Bond shall cease to hold such office before the issuance of the Bond, such Bond shall nevertheless be valid and sufficient for all purposes, the same as if the

person whose signature, or a facsimile thereof, appears on such Bond had not ceased to hold such office. Any Bond may be signed, sealed or attested on behalf of the City by any person who, on the date of such act, shall hold the proper office, notwithstanding that at the date of such Bond such person may not have held such office. No recourse shall be had for the payment of any Bonds against any officer who executes the Bonds.

Each Bond shall bear thereon a certificate of authentication executed manually by the bond registrar. No Bond shall be entitled to any right or benefit under this ordinance or shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the bond registrar.

Section 8. Transfer, Exchange and Registry. The Bonds shall be negotiable, subject to the provisions for registration of transfer contained herein. Each Bond shall be transferable only upon the registration books maintained by the City for that purpose at the corporate trust office of the bond registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the bond registrar and duly executed by the registered owner or his duly authorized attorney. Upon the surrender for transfer of any such Bond, the City shall execute and the bond registrar shall authenticate and deliver a new Bond or Bonds registered in the name of the transferee, of the same aggregate principal amount, series, maturity and interest rate as the surrendered Bond. Bonds, upon surrender thereof at the corporate trust office of the bond registrar, with a written instrument satisfactory to the bond registrar, duly executed by the registered owner or his attorney duly authorized in writing, may be exchanged for

an equal aggregate principal amount of Bonds of the same series, maturity and interest rate and of the denominations of \$5,000 or any integral multiple thereof.

For every such exchange or registration of transfer of Bonds, the City or the bond registrar may make a charge sufficient for the reimbursement of any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. No other charge shall be made for the privilege of making such transfer or exchange. The provisions of the Illinois Bond Replacement Act shall govern the replacement of lost, destroyed or defaced Bonds.

The City and the bond registrar may deem and treat the person in whose name any Bond shall be registered upon the registration books as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of or interest thereon and for all other purposes whatsoever, and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the City nor the bond registrar shall be affected by any notice to the contrary.

Section 9. General Obligations. The full faith and credit of the City are hereby irrevocably pledged to the punctual payment of the principal of and interest on the Bonds. The Bonds shall be direct and general obligations of the City, and the City shall be obligated to levy ad valorem taxes upon all the taxable property in the City for

the payment of the Bonds and the interest thereon, without limitation as to rate or amount.

Section 10. Form of Bonds. The Bonds shall be issued as fully registered bonds and shall be in substantially the following form, the blanks to be appropriately completed when the Bonds are printed:

Any moneys in any Fund that are subject to investment yield restrictions may be invested in United States Treasury Securities, State and Local Government Series,

pursuant to the regulations of the United States Treasury Department, Bureau of Public Debt, or in any tax-exempt bond that is not an “investment property” within the meaning of Section 148(b)(2) of the Code. The City Treasurer and agents designated by her are hereby authorized to submit, on behalf of the City, subscriptions for such United States Treasury Securities and to request redemption of such United States Treasury Securities.

Section 21. Tax Covenants. The City shall not take, or omit to take, any action lawful and within its power to take, which action or omission would cause interest on any 2014A Bond to become subject to federal income taxes in addition to federal income taxes to which interest on such 2014A Bond is subject on the date of original issuance thereof.

The City shall not permit any of the proceeds of the 2014A Bonds, or any facilities financed with such proceeds, to be used in any manner that would cause any 2014A Bond to constitute a “private activity bond” within the meaning of Section 141 of the Code.

The City shall not permit any of the proceeds of the 2014A Bonds or other moneys to be invested in any manner that would cause any 2014A Bond to constitute an “arbitrage bond” within the meaning of Section 148 of the Code or a “hedge bond” within the meaning of Section 149(g) of the Code.

The City shall comply with the provisions of Section 148(f) of the Code relating to the rebate of certain investment earnings at periodic intervals to the United States of America.

Section 22. Bank Qualified Designation. The City hereby designates the 2014A Bonds as “qualified tax-exempt obligations” as defined in Section 265(b)(3)(B) of the Code. The City represents that the reasonably anticipated amount of tax-exempt obligations that are required to be taken into account for the purpose of Section 265(b)(3)(C) of the Code and will be issued by or on behalf of the City and all subordinate entities of the City during 2014 does not exceed \$10,000,000. The City covenants that it will not designate and issue more than \$10,000,000 aggregate principal amount of tax-exempt obligations in the year in which the 2014A Bonds are issued. For purposes of the two preceding sentences, the term “tax-exempt obligations” includes “qualified 501(c)(3) bonds” (as defined in Section 145 of the Code) but does not include other “private activity bonds” (as defined in Section 141 of the Code).

Section 23. Continuing Disclosure. For the benefit of the beneficial owners of the Bonds, the City covenants and agrees to provide to the Municipal Securities Rulemaking Board (the “MSRB”) for disclosure on the Electronic Municipal Market Access (“EMMA”) system, in an electronic format as prescribed by the MSRB, (i) an annual report containing certain financial information and operating data relating to the City and (ii) timely notices of the occurrence of certain enumerated events. All documents provided to the MSRB shall be accompanied by identifying information as prescribed by the MSRB.

The annual report shall be provided to the MSRB for disclosure on EMMA within 210 days after the close of the City’s fiscal year. The information to be contained in the annual report shall consist of the annual audited financial statement of the City and such additional information as noted in the Official Statement under the caption “Continuing

Disclosure.” Each annual audited financial statement will conform to generally accepted accounting principles applicable to governmental units and will be prepared in accordance with standards of the Governmental Accounting Standards Board. If the audited financial statement is not available, then an unaudited financial statement shall be included in the annual report and the audited financial statement shall be provided promptly after it becomes available.

The City, in a timely manner not in excess of ten business days after the occurrence of the event, shall provide notice to the MSRB for disclosure on EMMA of any failure of the City to provide any such annual report within the 210 day period and of the occurrence of any of the following events with respect to the Bonds: (1) principal and interest payment delinquencies; (2) non-payment related defaults, if material; (3) unscheduled draws on debt service reserves reflecting financial difficulties; (4) unscheduled draws on credit enhancements reflecting financial difficulties; (5) substitution of credit or liquidity providers, or their failure to perform; (6) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax-exempt status of the Bonds, or other events affecting the tax-exempt status of the Bonds; (7) modifications to rights of Bondholders, if material; (8) Bond calls, if material; (9) defeasances; (10) release, substitution or sale of property securing repayment of the Bonds, if material; (11) rating changes; (12) tender offers; (13) bankruptcy, insolvency, receivership or similar event of the City; (14) the consummation of a merger, consolidation, or acquisition involving the City or the sale of all or substantially all of the assets of the City, other than in the

ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; and (15) appointment of a successor or additional trustee or the change of name of a trustee, if material. For the purposes of the event identified in clause (13), the event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for the City in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the City, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan or reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the City.

It is found and determined that the City has agreed to the undertakings contained in this Section in order to assist participating underwriters of the Bonds and brokers, dealers and municipal securities dealers in complying with Securities and Exchange Commission Rule 15c2-12(b)(5) promulgated under the Securities Exchange Act of 1934. The City Director of Finance or his designee is authorized and directed to do and perform, or cause to be done or performed, for or on behalf of the City, each and everything necessary to accomplish the undertakings of the City contained in this Section for so long as Rule 15c2-12(b)(5) is applicable to the Bonds and the City remains an “obligated person” under the Rule with respect to the Bonds.

The undertakings contained in this Section may be amended by the City upon a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of the obligated person, or type of business conducted, provided that (a) the undertaking, as amended, would have complied with the requirements of Rule 15c2-12(b)(5) at the time of the primary offering, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances and (b) in the opinion of nationally recognized bond counsel selected by the City, the amendment does not materially impair the interests of the beneficial owners of the Bonds.

Section 24. Bond Registrar. The City covenants that it shall at all times retain a bond registrar with respect to the Bonds, that it will maintain at the designated office of such bond registrar a place where Bonds may be presented for payment and registration of transfer or exchange and that it shall require that the bond registrar maintain proper registration books and perform the other duties and obligations imposed upon the bond registrar by this ordinance in a manner consistent with the standards, customs and practices of the municipal securities business.

The bond registrar shall signify its acceptance of the duties and obligations imposed upon it by this ordinance by executing the certificate of authentication on any Bond, and by such execution the bond registrar shall be deemed to have certified to the City that it has all requisite power to accept, and has accepted such duties and obligations not only with respect to the Bond so authenticated but with respect to all the Bonds. The bond registrar is the agent of the City and shall not be liable in connection with the performance of its duties except for its own negligence or default. The bond

registrar shall, however, be responsible for any representation in its certificate of authentication on the Bonds.

The City may remove the bond registrar at any time. In case at any time the bond registrar shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the bond registrar, or of its property, shall be appointed, or if any public officer shall take charge or control of the bond registrar or of its property or affairs, the City covenants and agrees that it will thereupon appoint a successor bond registrar. The City shall mail notice of any such appointment made by it to each registered owner of Bonds within twenty days after such appointment.

Section 25. Book-Entry System. In order to provide for the initial issuance of the Bonds in a form that provides for a system of book-entry only transfers, the ownership of one fully registered bond for each maturity of each series of the Bonds, in the aggregate principal amount of such maturity, shall be registered in the name of Cede & Co., as a nominee of The Depository Trust Company, as securities depository for the Bonds. The Director of Finance is authorized to execute and deliver on behalf of the City such letters to, or agreements with, the securities depository as shall be necessary to effectuate such book-entry system.

In case at any time the securities depository shall resign or shall become incapable of acting, then the City shall appoint a successor securities depository to provide a system of book-entry only transfers for the Bonds, by written notice to the predecessor securities depository directing it to notify its participants (those persons for

whom the securities depository holds securities) of the appointment of a successor securities depository.

If the system of book-entry only transfers for the Bonds is discontinued, then the City shall issue and the bond registrar shall authenticate, register and deliver to the beneficial owners of the Bonds, bond certificates in replacement of such beneficial owners' beneficial interests in the Bonds, all as shown in the records maintained by the securities depository.

Section 26. Defeasance and Payment of Bonds. (A) If the City shall pay or cause to be paid to the registered owners of the Bonds, the principal and interest due or to become due thereon, at the times and in the manner stipulated therein and in this ordinance, then the pledge of taxes, securities and funds hereby pledged and the covenants, agreements and other obligations of the City to the registered owners and the beneficial owners of the Bonds shall be discharged and satisfied.

(B) Any Bonds or interest installments appertaining thereto, whether at or prior to the maturity date of such Bonds, shall be deemed to have been paid within the meaning of paragraph (A) of this Section if (1) in case any such Bonds are to be redeemed prior to the maturity thereof, there shall have been taken all action necessary to call such Bonds for redemption and notice of such redemption shall have been duly given or provision shall have been made for the giving of such notice, and (2) there shall have been deposited in trust with a bank, trust company or national banking association acting as fiduciary for such purpose either (i) moneys in an amount which shall be sufficient, or (ii) "Federal Obligations" as defined in paragraph (C) of this Section, the principal of and the interest on which when due will provide moneys which, together with

any moneys on deposit with such fiduciary at the same time for such purpose, shall be sufficient, to pay when due the principal of and interest due and to become due on said Bonds on and prior to the applicable redemption date or maturity date thereof.

(C) As used in this Section, the term “Federal Obligations” means (i) non-callable, direct obligations of the United States of America, (ii) non-callable and non-prepayable, direct obligations of any agency of the United States of America, which are unconditionally guaranteed by the United States of America as to full and timely payment of principal and interest, (iii) non-callable, non-prepayable coupons or interest installments from the securities described in clause (i) or clause (ii) of this paragraph, which are stripped pursuant to programs of the Department of the Treasury of the United States of America, or (iv) coupons or interest installments stripped from bonds of the Resolution Funding Corporation.

Section 27. Ordinance to Constitute a Contract. The provisions of this ordinance shall constitute a contract between the City and the registered owners of the Bonds. Any pledge made in this ordinance for the benefit of the Bonds of the same series and the provisions, covenants and agreements herein set forth to be performed by or on behalf of the City with respect to the Bonds of the same series shall be for the equal benefit, protection and security of the owners of any and all of the Bonds of the same series. All of the Bonds of the same series, regardless of the time or times of their issuance, shall be of equal rank without preference, priority or distinction of any of the Bonds of the same series over any other thereof except as expressly provided in or pursuant to this ordinance. This ordinance shall constitute full authority for the issuance of the Bonds and to the extent that the provisions of this ordinance conflict with the

provisions of any other ordinance or resolution of the City, the provisions of this ordinance shall control. If any section, paragraph or provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this ordinance.

In this ordinance, reference to an officer of the City includes any person holding that office on an interim basis and any person delegated the authority to act on behalf of such officer.

Section 28. Publication. The City Clerk is hereby authorized and directed to publish this ordinance in pamphlet form and to file copies thereof for public inspection in her office.

Section 29. Effective Date. This ordinance shall become effective upon its passage and approval.
