SUBJECT: Purchase of new Tasers

Date: 02/09/15

For the 2015 budget year, the Police Department budgeted for the purchase of eleven (11) new X2 Tasers from Taser International, Inc. out of Police Contributions, 273-412206-52401-0000000. These will replace the outdated X26 Tasers currently in use which Taser International, Inc. no longer supports.

In addition to the purchase of equipment, the police department will participate in the Taser Assurance Plan, a yearly warranty agreement with Taser International, Inc. which allows for service and support and trade-in after five years. This plan also allows for the trade-in credit of existing, outdated X26 Tasers.

The final cost for eleven new X2 Tasers, cartridges, holsters, and the TAP, comes to \$14,887.40.
