On behalf of MetroLINK we are requesting that our new Operation/Maintenance/Garage Facility located at 4501- 4th Ave. Rock Island, be placed under City Ordinance for No Parking/Tow Zone. We have been informed that at various times throughout the week, unauthorized vehicles have been parking on parking lot, located on the West side of the facility. The unauthorized vehicles parking on our lot pose a safety factor to MetroLINK property and to our employee's property. We would appreciate your consideration regarding our request for the City Ordinance for parking control. If you have any questions you may contact me at 309-786-3502.

Respectfully,
