COMMENTS: _____

Traffic Engineering Department,

1/27/2015

We would like to have the handicap parking spot removed at 1816 35th Street Rock Island IL 61201. We have lived across the street at 1817 35th Street for about 8 years now and have never seen anyone park there. We believe the home owners who had it installed have moved away from the area. We only have parking on one side of the street so we would appreciate the extra parking. Thank you for your consideration.

Sincerely,

Steve Coulston and Kristine Neumann
