Dear Mr. Mayor,

I am writing to request permission to have an outdoor entertainment at our Oktoberfest event on October 10th from 2pm until 6 pm on our property. This event will be held in the southeast corner of our parking lot. We are intending to have a 5 piece country rock band. They would play from 2pm to 6pm. This would conclude our event so there would be no late night noise to disturb residents.

This event would also include a beer tasting, and food pairings to compliment the beer. This would be an enclosed area with a tent.

We are hoping that you will grant us permission to have such an event.

If you have any questions please feel free to contact me at the store. My number is 793-0684.

Thank you!

Dear Mr. Mayor,

I am writing to request permission to sell alcohol at our Oktoberfest event on October 10th from 2pm until 6 pm on our property. This event will be held outside in the southeast corner of our parking lot. This event would include a beer tasting, and food pairings to compliment the beer. We would also sell beer for the public to consume on our property.

This will be done in an enclosed area under a tent. We will fence off the area and there would be only one entrance. At the point of entrance guests will be ID'd and given a wrist band to identify the fact that they are 21 years of age or older to consume alcohol.

We do have licensing to sell alcohol ~~both on and off~~^{DP.} premise. We also have proper insurance including dram shop.

We are intending to have a 5 piece country rock band. They would play from 2pm to 6pm. This would conclude our event so there would be no late night noise to disturb residents.

We are hoping that you will grant us permission to have such an event.
