

Memorandum
Community Economic Development Department

To: Thomas Thomas, City Manager
Subject: Recommendations for 2016 CDBG and Gaming Grant
Date: November 3, 2015

The Citizen's Advisory Committee (CAC) completed its task of allocating 2016-2017 Community Development Block Grant (CDBG) monies and Gaming Grant Funds on October 15, 2015. A public hearing for the CDBG and Gaming Grant Funds was held on November 2, 2015 to fulfill the City's Citizen Participation Plan. City Council has the authority to make final funding allocation decisions. The process schedule suggests that Council approve allocations on November 9, 2015.

The attached spreadsheet shows the CAC's recommendations for the 2016 CDBG and Gaming Grant Funds. The CAC reviewed and abided by City Council's policies when considering allocations.

In order to assist the Council in its decision-making process, staff has attached a statement from Chairman Corey Ellis and the spreadsheet summarizing the CDBG and Gaming Grant applications that were considered by the CAC. Individual applications and minutes of the Review and Allocation Meetings are available upon request.

Recommendation: City Council to approve the CDBG and Gaming Grant allocation amounts as recommended by the Citizen's Advisory Committee.

Dear Mayor Pauley and City Council Members:

The Citizen's Advisory Committee has completed their review of the CDBG and Gaming Grant funding requests for the 2016 calendar year. We enjoyed learning more about the programs and services that help our residents thrive and support their health and well-being. Thank you for the opportunity to participate in this important process. I plan to present our recommendation for funding allocations to you on Monday, November 2, 2015. The Committee agrees that the CDBG budget presented will disburse monies in a way that improves housing, economic and social condition of the City, adheres to the guidelines mandated by HUD, aligns with Rock Island's Consolidated Plan, and most importantly benefits our low and moderate income citizens. Furthermore, the Committee agrees that the Gaming Grant budget presented will disburse monies in a way that benefits Rock Island citizens and Rock Island businesses with priority given to businesses within our city limits that provide services to the youth in our community.

The committee budgeted \$904,777 for this round of CDBG allocations, which represents an anticipated 3% decrease in funds from the 2015-2016 grant year. The Committee received funding requests totaling \$1,443,289. Unfortunately we are facing a shortfall of \$538,512 and cannot accommodate every applicant's full request for administrative and program costs. After thoughtful discussion, the Committee agreed to stretch the CDBG funds to enable the City and social service providers to offer assistance to those in our City with the greatest needs.

The committee budgeted \$50,000 for the 2016 Gaming Grant allocations, the same amount that has been allocated since the inception of the program. Each committee member reviewed 16 grant applications, heard presentations and had questions answered by all applicants. We utilized an individual scoring mechanism with eight categories that corresponded to the most critical components of the grant application. Scores were tallied for each applicant and committee discussions on funding levels for the top grants were conducted. This process

ensured a fair and open discussion about the merit of the requests totaling \$84,390. With a shortfall of \$34,390, we recommend awarding funds to 14 organizations.

CDBG and Gaming Grant funds enable the City and social service providers to offer assistance to those in our City with the greatest needs. The task of allocating these monies in a manner that affects the greatest good is certainly difficult, but fulfilling. As a Rock Island citizen, I am thankful we have the funds, staffing and the will to deliver these programs to our community. I am happy to answer any questions you may have concerning our allocations at the hearing on November 2, 2015. Please do not hesitate to contact me in advance, if necessary.

Sincerely
