

**Memorandum  
Public Works Department**

**To:** City Manager  
**Subject:** Refuse Packer Purchase  
**Date:** November 30, 2015  
**Number:** 2015 - 236

---

The Public Works Department/Fleet Services Division is scheduled to purchase a Low Entry 25 Yard Rear Load Refuse Packer this budget year. The Department staff has discussed and agreed on the type of packer and options needed to replace the 1989 Crane Carrier Refuse Packer currently being used by the Municipal Services Division in the daily operation of refuse collection. Bids were opened on November 24, 2015, and a summary of the bids is attached. The bids from Rnow and Peterbilt for 2017 Peterbilt 320 chassis do not meet the specification for an 18" step entry in to the cab. The Peterbuilt 320 has a step attached to the cab floor for a two step entry in to the cab. The bid from Rnow for a Mack LR 613 cab and chassis with Loadmaster Packer meets all the specifications.

**Recommendation**

The Public Works Department recommends City Council authorize the purchase from Rnow Inc. for a 2017 Mack LR 613 cab and chassis with a Loadmaster Excel-S rear load refuse packer in the amount of \$186,512.00. It is also recommended that an ordinance be drafted declaring the 1989 Crane Carrier Refuse Packer surplus and trade to the dealer.

Vendor: R.N.O.W., Inc.  
Payment Amount: \$186,512.00

Account Chargeable:  
Fund: 601 Fleet Services  
Division: 617 Fleet Services
