We would like to request Resident only parking (Type A) on 12th Avenue between 37th Street and the alley on both sides of the street. We currently have Resident only parking on 37th Street from 11th Avenue to 12th Avenue. Augustana students that live in the dorms and apartments are now parking on 12th Avenue causing an even narrower road for cars coming and going and leaving us no parking for visitors to our homes.

Thank You,

Kim Foley Sharp
