Bob

I just got off of the phone with Mary Atkinson. She is a friend of Fred Pope who formerly resided at 1504-41st Street. A few years back they requested and received handicapped parking signs in front of that address. One of the neighbors argued against the signs and has constantly complained about them. Mary called to tell me that the house has been sold and that the signs are no longer needed and could be removed. I thanked her for her conscientiousness and told her that I would pass this information along to the proper department. Mr. Pope is blind. If you must have something in writing, please send it to her at 1626-2nd Street, Moline, or call her at 736-7441.

Thanks,

Chuck Austin
