Martinis on the Rock would like to petition the city of Rock Island to allow us to have one time live entertainment outside on Sunday September 25<sup>th</sup> from 1:00 to 7:00p.m. (Weather permitting). We are hosting a benefit for a cancer victim to help with medical expenses a flyer for the benefit is attached.

Martinis will abide by all the city ordinances and insure that all bands will be monitored with an on site decibel meter and will not be allowed to play their music if they exceed 75 decibels at our property line to the East.

Thank you for reviewing this petition and we look forward to your favorable response.
