
**MEMORANDUM
COMMUNITY AND ECONOMIC DEVELOPMENT**

TO: Thomas Thomas, City Manager

SUBJECT: Ceding of Private Activity Volume Cap

DATE: 3/18/12

Attached is a letter from Andrew Hamilton, Executive Director of the Quad Cities Regional Economic Development Authority (QCREDA) requesting consideration for the transfer of the city's 2012 Home Rule Volume Cap to QCREDA.

Under the Federal Tax Reform Act of 1986, the city receives an annual allocation of private activity bonding cap (Home Rule Volume Cap) that can be used to provide below market rate financing for economic development and/or housing projects. The allocation is calculated on a per capita basis with the city's allocation equal to the State of Illinois Allocation guideline population of 39,018 times \$95 for a total allocation of \$3,706,710. Pursuant to a law passed by the Illinois General Assembly some years ago, if a city does not have use for the cap it can be ceded to another city or development agency. If the city does neither, the cap reverts to the Governor's office for reallocation to projects around the state. The city must take action by May 1st to either reserve the cap for use on a specific project or cede it to another agency.

In past years, we have ceded our cap to the QCREDA and/or the Illinois Housing Development Authority (IHDA). Over the years PFG Thoms Proestler, Seaburg Industries, Steel Warehouse, Watts Trucking, Isotech of Illinois and Augustana College have used QCREDA to finance projects in the city. Ceding the cap to QCREDA allows the city to retain access to the cap until the end of the current calendar year.

RECOMMENDATION

Council pass an ordinance ceding the city's 2012 private activity volume bonding cap to the Quad Cities Regional Economic Development Authority.

The Honorable Dennis E. Pauley, Mayor
City of Rock Island
1528 Third Avenue
Rock Island, IL 61201-8612

Dear Mayor Pauley:

The Quad Cities Regional Economic Development Authority (QCREDA) respectfully requests consideration for the transfer of your 2012 Home Rule Volume Cap to QCREDA for economic development and housing projects. We have mutually benefited from working with other communities that have allowed QCREDA to successfully issue over \$100,833,000 in bonds that have created over 1,560 jobs.

QCREDA has developed relationships with home rule communities and other regional development authorities in working together to accommodate the Volume Cap needs of their projects. Some years, we have more projects than Volume Cap and other years we have more Volume Cap than projects. At the end of the calendar year, Volume Cap can be carried forward for three years, but once carried forward, it can no longer be transferred. We have developed a mutually beneficial relationship between communities, counties and other regional development authorities to graciously share this valuable resource for the benefit of the region. We feel it is fair to help a neighbor that has helped us in the past. The rising tide raises all of the boats.

As you may be aware, home rule communities receive a direct allocation in 2012 equal to their population times \$95. The 2012 State of Illinois Allocation guidelines identify Rock Island's population at 39,018, so your 2012 Volume Cap Allocation is \$3,706,710. You are required to obligate this allocation by May 1st of each calendar year or it automatically goes back to the State of Illinois for reallocation to other entities in June of each calendar year. If the City of Rock Island would consider passing an ordinance transferring their 2012 allocation to QCREDA prior to May 1st, then QCREDA would be able to keep this cap until December 31st. This action would allow the City to maintain control of their Volume Cap past May 1st.

QCREDA is interested in serving in this capacity in order to develop a relationship with home rule communities to be able to trade cap in up and down years. We respectfully

request if you have no need for the cap by September 1st that you allow us to use it to benefit the residents of QCREDA. If the City is interested, I have taken the liberty of enclosing a draft ordinance for you to review as well as a draft letter to the Governor's Office. I am available to meet with any city official you wish regarding this matter. Please call me at 866-325-7525 if you have any questions. Any correspondence should be mailed to:

QCREDA Capitol Office
P. O. Box 13112
Springfield, IL 62791

Thank you.

Sincerely,

Executive Director
