To whom it may concern:

I Monica & Bartolo Vasquez am writing you to let you know that the handicap parking signs located in the front of my property at 2530 5 ½ Avenue are no longer needed. My grandmother used to live in my home and is currently in hospice does not reside there anymore. I am requesting that the signs be removed so that there is more space for parking. Thank you for your time in this matter, and appreciate the help that was rendered at the time my grandmother lived there, so that she could walk a short distance to and from the home. Thank you again for your time.

Sincerely,

Monica & Bartolo Vasquez
