Mr. Hawes

My name is Tim Maess. My wife Brenda and I live at 2514 20th ave Rock Island for the past 28 years. I would like to see if the city could set a "NO PARKING" sign on the boulevard in front of our home. For years I have maintained this area only to have it destroyed by cars pulling up onto the boulevard leaving nothing but mud and deep ruts. This has become a daily problem to keep it maintained and the cost of restoring the ground has become out of control not to mention the physical stress this has caused on myself and my wife. Only to have it destroyed days later. Any help in this matter would be greatly appreciated.

Thank you for your time and consideration in this matter
